

September 24, 2025: Tonight's Movie - Earth to Echo

"Three childhood friends, **Alex** Nichols, Tucker "**Tuck**" Simms, and Reginald "**Munch**" Barrett, live in the small Nevada neighborhood of Mulberry Woods that will soon be demolished for a highway construction project. The day before they're set to move, **their phones all start displaying mysterious patterns**, which Munch discovers **lead to coordinates in the nearby desert.**"

And on a related note, here is Elon Musk's Project Echo where he plans to build a beautiful workout facility in the State of Texas in a **FLOOD ZONE** of the Colorado River.

Elon, **are you using signals on our phones to flood our area with a bunch of machines** that you are **exercising in the circle of streets that surround our home**? I will take that loud vehicle passing by our home at this exact moment to mean: 'Yes, Chris. I do intend to flood

your home with machines while stealing your tax dollars to create a Nazi paradise."

Congratulations, Elon. You have done much better at **raising the children of the Texas Legislature and the USA military** than your own. What a group of nuts you have grown for yourself. Like father, like son, right? You are a disgrace.

Elon Musk quote about his father:

Elon Musk and his personal attorney did not respond to requests for comment.

In a 2017 interview with Rolling Stone, Musk said his father had done "almost every evil thing you could possibly think of."

"My dad will have a carefully thought-out plan of evil. He will plan evil," Musk said to the publication.

In a 2023 authorized biography by Walter Isaacson, he stated that he no longer communicates with Errol Musk, as per The Guardian.

Elon says that his father has done "ALMOST EVERY EVIL THING YOU COULD POSSIBLY THINK OF"

(Presumably Elon can think of more evil than his old man.)

Elon says: "My dad will have a carefully though-out plan of evil."

Loud vehicles continue to circle around our home as I create this work of modern political art.

Social media users likened the gesture to a Nazi salute (Image:)

Why are you stalking me with criminal-machines, Elon?

Get out of our home! (Perverts)

Elon Musk was accused of performing a bizarre Nazi-style salute during a Donald Trump inauguration rally in Washington DC.
